SAFARI EQUIPMENT CHECKLIST / TANZANIA

A practical summary of the equipment described on our website. Your final kit depends on the selected vehicle, camping or lodge setup, route and availability. Confirm the included items in your written quote and at handover.

Recovery essentials for changing tracks

- Pair of sand/mud tracks, MaxTrax-style
- Kinetic snatch strap, tree protector and bow shackles
- Hi-lift or bottle jack with base plate
- Shovel and tyre repair kit with plugs and tools

Camp setup for wild nights

- Rooftop tent or dome tents plus bedding set
- 270° awning or side awning
- Compact table and chairs
- 12V water pump and jerry solutions

Safety and first aid essentials

- Touring-grade first-aid kit
- 1kg+ fire extinguisher and triangle
- Headlamps and spare batteries
- Emergency contact card and protocols

Cooking and camp kitchen kit

- Two-burner stove and gas
- Pots, pan, kettle, utensils and cutlery
- Wash basin, soap and drying rack
- Basic pantry starter such as salt and oil

Specialist gear on request

- Satellite communicator or tracker
- Long-range fuel and water solutions
- Second cooler fridge for drinks
- Photography bean bags and window mounts

Dual battery and cold storage

- Dual-battery system with DC-DC charger
- 300W pure sine inverter with 12V and USB outlets
- 50-60L compressor fridge/freezer
- LED work lights and camp lighting

Route support and navigation

- Offline navigation setup and route preparation
- Paper maps and waypoint briefings
- Phone mounts and charging leads
- Handheld radio or mobile repeater on request

On-road spares and tools

- Two spare tyres and compressor
- Basic tool roll and fluids
- Common fan belts, fuses and bulbs
- Wheel nut key and torque wrench

Sleep system and comfort items

- Clean linen, pillows, duvets or sleeping bags
- Ground mats if dome tents are supplied
- Mosquito-proofing solutions
- Compact privacy shelter on request

Optional add-ons are subject to availability. This checklist is planning guidance; the agreed booking documents confirm your vehicle and equipment.
